Address: P.O.Box 720582, Sandy Springs, GA 30358

Phone: 678-894-9804

Web site: www.secondhelpingsatlanta.org

Internship Supervisor: Andrea Jaron

Supervisor’s contact information including e-mail. andreajaron@secondhelpings.info 770-364-3506

Organization’s Mission Statement: To reduce hunger and food waste in the Metro Atlanta area by rescuing surplus food and distributing it to those in need. With a community of over 450 volunteers, SHA serves as the link between our network of Food Donors and Partner Agencies who feed the hungry on a daily basis.

Summary of organization’s primary programs and services:

SHA’s primary program is the 90 Minute Model of food rescue: volunteers use their own vehicles to pick up fresh, surplus food from Food Donors and drive it to our Partner Agencies who provide hunger relief services to their clients. We are, in our most simple form, a logistics organization that serves as the conduit between the two. 363 days of the year we run over 150 food rescue routes, reducing waste and food insecurity at the same time. This past June we reached the 10 millions pounds of food rescued milestone, and in 2019 we rescued over 1.7 million pounds of food, providing 1.4 million nutritious meals.

Intern’s title: Food Rescue Impact Intern

Number of interns requested: one
Internship project/job description:

The Food Rescue Impact Intern would conduct research and analysis of Second Helpings Atlanta’s impact in two key areas: by population group (families, children, veterans, etc) and in food deserts. We currently only have anecdotal information about our impact, and we need concrete data to help tell our story to all of our stakeholders. For each of these projects, the intern will engage in some or all of the following activities:

- Conduct research and write a literature review
- Capture program information from SHA Partner Agencies by email and telephone calls
- Conduct an analysis of Second Helpings Atlanta
- Produce a report summarizing the key findings from these research projects

Qualifications:
- Experience/background in research and/or data analysis is preferred
- Studies/coursework in public health, nonprofit management, social impact
- Basic competency in Microsoft Excel and Word
- Strong written communication skills

Are there other requirements for this position (security check, drug screen, immunizations, etc.)? If yes, please note them here: No

Will the internship require that the student have a car? No, but the student should have some form of transportation for weekly in-person meetings and “off-site” events.

Is placement site accessible by public transit or other transportation options? Yes, SHA staff meets one day per week at a rotating site in the metro Atlanta area that can be accessed by public transportation. Other meetings can be held virtually and do not require transportation.
