Organization's Mission Statement:

Wholesome Wave Georgia (WWG) believes that all Georgians should have access to good, wholesome and locally grown food. Founded in 2009, WWG's mission is to strengthen local food communities by empowering networks of farmers to facilitate access to and awareness of healthy food choices.

Summary of organization's primary programs and services:

In 2009, WWG launched as a state-wide chapter of Wholesome Wave National's Double Value Coupon Program to double Federal Nutrition Assistance (FNA; i.e., SNAP, WIC) benefits at Georgia farmers markets through its Georgia Fresh for Less program. WWG has grown from three partner farmers markets in 2009 to a network of 70+ markets, farms, and stores today.

Since 2013, WWG has partnered with the Georgia Division of Family and Children Services (DFCS) as a Community Partner to provide screening, enrollment, and renewal assistance for public benefits like SNAP, Medicaid, and CAPS. The Georgia SNAP Connection program seeks to meet SNAP

applicants where they are and reduce the barriers to applying for and renewing food assistance and other benefits.
